“ Very sad to learn of her passing. Alda was indeed a very sweet and strong person. I remember as a little kid she would take my entire family to the Clark county fair every year. She always thought of everyone else. I have many fond memories of Alda. She is with the lord now. I will miss her. J. De Loach

“ I'm so sorry on Alda's passing, but so grateful my family and I were her neighbors and got to know her. She was always a delightful person and wonderful neighbor. I will always fondly remember the cookouts Alda and Jerry used to host at their home; the peanut-butter-and-honey sandwiches she made while working at BGHS; and the fact she made the delicious food for my wedding reception. Alda was a dear, dear lady and will be sorely missed. God bless to her family.
