

## Aletha F. Fifield

May 31, 1936 - September 22, 2021

Aletha Fern Marcu, Fifield was born May 31, 1936 in Sacramento, CA the 1st of 5 children to Roye Howard Marcum and Mable Lorraine Haven Marcum. She went to her eternal reward on August 22, 2021 in Vancouver, WA.

Aletha eloped to Carson City, NV at the early age of 16 and married Harold Monks. The couple had four children Janet Lynn, Harold Richard, Pamela Kay, and Stephen Mark. The family lived in California, Oklahoma, & Oregon.

A few years after her marriage to Harold ended, Aletha married Marshall Fifield on New Years Eve, December 31, 1977. At the time of her passing they were married almost 44 years.

During her working career, Aletha worked for a doctor, photography studio, Montgomery Wards and JC Penney.

She loved her family and loved for all the family to get together as often as they could-especially for special occasions like birthdays and holidays. She and Marshall hosted Friday night game night until it became too much for her. The dinners and game nights continued, but at Pam and Terry`s house.

Aletha was known for her love and loyalty to all of her family. She was also admired for always being very well dressed and never left the house without

makeup and her hair done.

Besides family, one of her favorite things was shopping! Shoes, clothes and jewelry were all favorites. She also had a soft spot in her heart for just about any "worth-while cause", especially if it had to do with animals.

Aletha was preceded in death by her parents and brothers Paul and John. She is survived by her husband Marshall, sister Peggy, brother David, 3 half brothers Leroy, Raymond & Daniel, children Janet (husband Gordy), Richards (wife Norma), Pam (husband Terry) 9 grandchildren, 6 great grandchildren and numerous nieces and nephews. She will be missed by all who knew and loved her.

Her body will be laid to rest October 21 at Willamette National Cemetery in Portland, OR.
