“ Mommy it has been almost two years since you have been gone, and I miss you so much. I know you are in a better place and I can't wait to see you again. This day was never in my thoughts because I wanted to keep you forever. But, you are in you my heart mommy always.

“ Mommy, The world feels so different without you in it. I love and miss you so much. Words can't express how it feels since you have gone home to be with your lord and savior. But, when i think about the beautiful angel I have looking over me, it makes me smile. You will always be the "Love of my Life". It has always been you mommy. Your baby girl will always remember your smile, words of wisdom, laughter, courage, and strength. For God gave me the greatest blessing by allowing me to be apart of your life and having you as a mom. Gone but never forgotten!!!! Chrissy
