“ *When we hadn't received a Christmas card from Arlene for the past 2 years, I googled her and was saddened to know that she had passed. We were Arlene & Ed's next-door neighbors in Fanwood, NJ. Arlene was a lovely neighbor and friend, we used to trade books. Please accept our condolences. Rachel & Bob Lepree*

“ *Such a dear lady that I will miss terribly. I always looked forward to delivering her flowers and enjoying a short visit. My heartfelt sympathies to Arlene's family. Thank you for always thinking of me when you needed your mom's flowers. All my love Darla*
