JG

“*Dear Metcalf family, our hearts are heavy with grief. We only knew Bryan, really, through the stories his grandmother, Norma, told us, but those were more than enough for us to know that he was a dear man who was deeply loved. Our prayer for you as you navigate this time of grief is that you will know, even in your loss, the abiding presence, unsurpassable grace, and inconceivable peace of our Lord Jesus Christ. Blessings,*

Pastor Jeremy Geerdes and the Debra Heights Wesleyan Church family
