“ when I was young Uncle Dave would always get us kids an RC car or some kind of electronic device for Christmas and our birthdays this was something that I always looked forward to and I have a very strong memory of Uncle Dave. He is the reason I collect RC cars today.

“ I will miss Uncle Dave very much. Growing up, he was my favorite uncle. He always gave the coolest gifts-usually a game, which he would play with us kids. I loved playing games with him. I also loved going out on his boat. He became a favorite uncle of my kids as well. We all loved spending time with him, playing games and cards, going to the fair, out on the boat... He was just a joy to be around. RIP Uncle Dave.

“ I met Dave in 1975. We played a lot of games. He taught me How to play his favorite game of golf. He took me golfing with his buddies all the time. He was a excellent pinochle player. He loved to win. He also showed me how to water ski. I always loved being around him. He will be missed. RIP Uncle Dave.
