“ I remember helping Deane at a circle K in mac every Wednesday when we worked for Columbia. He was very caring and funny. Always enjoyed those Wednesdays because I got to work with Deane. You will be missed my friend ❤️

“ Deane and I first met at pepsi portland, he being from MN and a great viking fan, we had those 2 things in common right away, plus he was a great guy, someone you enjoyed being around, he had a engaging personality, always had a smile for you. We lived fairly close in Vancouver so we started carpooling, also he was in the Oregon Air Guard and I was also, so we carpoled to our monthly drills. Seeing as how we both were prior service, Deane and I decided to take advantage of the GI bill, so we carpoled to night classes at Clark College. So we got to know one another quite well, had many laughs over the years, and I have many fond memories. I am sorry for his family and many loved ones who will miss him.

“ I met Deane back in 1982 when I was in the military. I lost touch with him when I retired but found him again on the internet and a couple of years ago I found out through Ancestry.com and DNA that we were actually 3rd cousins! I will miss our talks and laughter. RIP my friend...

“ As this was a crazy shock to see, all can think about is the years working with Dean at Columbia.
He was always smiling, there to help and encourage, joke around and be a shoulder to lean on, or an ear to listen.
Condolences and Prayers to everyone of you.
