“ I'm so sorry to have missed the memorial for my Aunt Erma on Friday, as I just received the news that she had passed away. I remember all of the neat camping vacations we used to take and how she made me a better swimmer. I'll never forget the trip to Yellowstone and the bears rattling the garbage cans at night. It's a good thing that Erma and Mom carefully put all of the food away in our cars. Erma was always a fun and caring person and a favorite aunt of mine.
