“ My condolences and best wishes to Joanne and family. I have been blessed with some very good people that have been part of life and Gary was one of them. Gary was a role model for all of us to take note of. He will be missed but not forgotten!

“ My sincerest best wishes and thoughts are with Joanne and the families. I have many fond memories of Gary from the time that we worked together in Port Alberni. We loved to discuss the latest "Family Guy" after it aired on TV and would often laugh like crazy. It was Gary's sense of humour that often turned what might have been a horrible day at work into a more positive experience. A good friend indeed.

“ Sad to hear of the passing of Gary. My condolences to his entire family and friends. A pleasant co-worker to have known and spent many a dayshifts and nightshifts working on customer trials. Positive memory was his cheeky laugh.
