“ Th. 08/14. I am so sorry, once again, to see a beloved and precious classmate all those years ago now, gone far too soon. I remember Michele very well, from our Covington (and I believe, Evergreen HS years) so long ago now. On a lighter note. I recall very well, that Michelle and I had our first two periods of our 7th grade days, with Mrs. Kast. In Reading, and English/Writing class. I remember you all; Cheryl, Lori, and Kevin as well, from our school days together. Again, I am so sorry to read about Michele, like this. All of forty years too soon. I plan on coming to the Memorial, Sunday, 08/17. Sincerely, Bob Brunese Email: gdianbr@msn.com
