“ Myron, We have so many fond memories to treasure from smelting on the Cowlitz with "Patrin" to fishing the guardrail, clam stopping on the beach and of course not to mention the Elk at the cable road! We will miss watching the bull riding with you and hearing stories of Old Smokey trips but none of it will ever be forgotten. We love you! The Aldermans

“ Myron was a strong influence in Scotts life, more like a father then a grandfather. The memories of hunting, camping at Troutlake, fishing and mushroom picking will always hold a special place in his heart. We will miss the twinkle of those beautiful blue eyes and his wonderful smile. We will cherish the times we have spent together and are lucky to have had you in our lives. We will miss you greatly and never forget you!
