Patrick Elsberry 1948 - 2024

Pat passed to his Heavenly home on February 26, 2024. He will be remembered for his gentle kindness and ever-present sense of humor. He loved to laugh and never took himself too seriously. Pat was born in Conrad, Montana, where he attended high school and later graduated from the University of Montana in Missoula with a B.A. in Education. He was a member of Alpha Tau Omega fraternity and was selected for a full ROTC scholarship during his junior and senior years. During his freshman year, Pat met his one true love, Trudy, and they eloped to Coeur d'Alene, Idaho, a few months later. After they graduated from UM, Pat's career as an Army officer took them to various places, including three years in Germany. They moved to Vancouver in 1980 where Pat worked in production management and financial services. Pat enjoyed church activities, exercise classes at Firstenberg Center, social, volunteer, community functions, many fun family activities, and just trying to keep up with Trudy! Pat was an active member of Mannahouse Church where he was involved in several ministries over the years. In 2011 Pat retired from QC Financial Services. Pat and Trudy had many interesting and exciting travel adventures on land tours, cruises, and roadtrips to 49 countries and 42 states. Through the years he and Trudy have generously supported many charities and ministries locally and internationally. Pat lit up our lives with love and joy, and we hold close and cherish the memories he gave us. In addition to his brother, survivors include Trudy, his one true love of 56 years,

his daughter and son-in-law, his son, and his three grandkids and their spouses who will remember the fun times they had with the Papa who loved and nurtured them. The one thing he does not leave is the love and forgiving power of Jesus and the awesome grace of God. At his request, there will be a family graveside service.
