“ I really enjoyed working with Pat. He never seemed to have a down day, always came in with a smile, and always enjoyed joking around with Vi and me in dispatch. He was an excellent employee--always came to work on time, always came to work with a great attitude and big smile, worked well with the whole employee group, and was a friend to all. His passengers loved him and enjoyed his kindness, patience, and excellent customer service. May God comfort, strengthen, and give peace to Pat's family.

“ When I think of Pat I think of a man who never said a bad word about anyone! He always had a shy smile and sometimes something funny to say! He was a good man, my heart was saddened to hear of his passing. Rest In Peace Patrick.
