

## Roger Neal Frampton

March 15, 1951 - June 7, 2020

Roger Neal Frampton was born on March 15, 1951- June 7, 2020 he passed peacefully surrounded by his family and friends. He was lucky number 13 of 14 children from his loving and devout parents Marion and Leta Frampton of Rockaway, Oregon. Roger is survived by his wife, Karen, two daughters Cindy Frampton-Neese (Darla), Paula Brown (Malcolm - deceased), two sons, Cody Ryan (Jenny), Cameron Ryan (Bowser) and two loving and playful pooches Lexi and Luci. He was blessed with seven grandchildren, Whitney, Malcolm, Isa, Samuel, Kaileigh, Noah and Aria and 2 great-grandchildren, Jaxson and a baby girl on her way in September. He is survived by his baby brother, Bruce Frampton (Betty) and three sisters, Lois Shultz (Joe), Janice Baumgardner (Harold) and Carol Hinds (Jack). And two sister in laws Ruth Frampton (David) and Jane Frampton (Keith)

From an early age, Roger had a passion for music, he could sing Elvis better than Elvis. He loved motorcycles, cars, camping and all things outdoors. He was a jack of all trades from the start...commercial fisherman, mill worker, log truck driver, and truck mechanic. There wasn't a task he wasn't willing to take a stab at. What he loved most though was building memories with his family and friends. Many nights were committed to a great campfire and tons of laughs! All friends were treated as family and there was nothing Roger wouldn't do to help his family. In the most recent years, Roger stepped out of his comfort zone and began to explore the world through cruises and trips with

his wife, family and good friends. He learned that he liked the idea of all-inclusive (bring on the Cadillac margaritas)!

Roger had so many wonderful friends that all became family including Monty, Ron and Keith. So many memories that NEVER started with someone eating a salad.

Roger will always be remembered as a loving husband, fun father, caring brother, and loyal friend. Those who knew and loved Roger will make sure his memories continue to be told around the campfire flames.

“ I have such wonderful memories of Roger. He was a caring good hearted person that was always willing to help with a smile, no matter what was needed. From trying to find out why my kitchen light wouldn't work, airing up my tires, cutting down a dead tree or chasing my horse that got loose camping, not once but twice (maybe not with a smile on that one) but still anything to keep her safe until I got there. Roger God bless you and keep you , you were a special person and will be deeply missed.
