“Shane and I grew up together in Chewelah. There was never a time when we weren't good friends. After high school, we spent time together playing baseball all over the area with several others from the graduating class of 1986. We had a lot of fun and he will be missed. Goodbye my friend!!

“I grew up with Shane in Chewelah, joined the Army together, went to college together and were hired at BPA the same day. The first clearance i issued as an assistant dispatcher was to Shane when he was a Foreman 1. A lifetime of memories. Such a loss at such a young age. Goodbye my friend.

“I first met Shane when we started the apprenticeship together at BPA in 1992. Whenever I was around Shane, he always managed to bring a smile to my face, even when I was going thru hard times. He was a special person, a hard worker, and an excellent craftsman. I will miss him. So very sorry for your loss.
