“ Aunt Tiny always seemed to be so happy and full of life. I remember swimming in their backyard pool, and the squirrel that was mounted on the overhead beam that I think was in the basement (this was many, many years ago). I remember camping with Uncle Don & Aunt Tiny, Uncle Jess & Aunt Ann, and my dad (Tuffy) and stepmom (Barb) at the Bay Center Bush County Park around 1988 and we experienced a lightning and thunder storm that lasted for over 6 hours; and yet it never rained a drop on us. I had never before and have never since experienced an event like this in my life. I'm positive all those who were there camping that night will remember this bizarre storm. I will miss Aunt Tiny's laugh and persona. She was always so spunky and high spirited. I will forever remember Aunt Tiny in my heart! May her soul rest in peace and my God bless her family and help them through this time of loss and great sorrow.
