

Stacey Willard Wright

March 15, 1928 - November 12, 2012

Stacey W. Wright, 84, from Vancouver, WA, passed away in his Sun City, AZ home in the loving arms of his family on Nov 12, 2012 after a two-year battle with mesothelioma. An avid golfer, Stacey and his wife Wynne spent winters in Arizona and summers at their home in Lake Cushman, WA. Stacey always enjoyed the outdoors and worked with the forest service early on before getting an engineering degree and settling into a long career with Pacific Power & Light. Stacey was married to Lucille Stewart for 27 years and together they raised their three children. Life changes led him to his wife Wynne of the past 28 years. Stacey is survived by his wife, Wynne; his children, Nancy England (Keith), Cliff Wright (Dawn), Shelley Taylor (David); step-daughter, Tammy Raynor (Michael); brothers, Elvis and Everett; 16 grandchildren and seven great-grandchildren. He was preceded in death by his brother, Haskell; and parents, Willard and Annis Wright. It's been said the mold was broken with this man with his inquisitive mind and unique personality, always ready with the "Stacey Stories" we have all come to love. He was liked by everyone and loved by so many and will be greatly missed and never forgotten. A Celebration of life will be held at Evergreen Memorial Gardens in Vancouver, WA at 12:30 p.m. on Sat. November 24, 2012. We owe such gratitude to Hospice of the Valley in Sun City, AZ, for their loving kindness these past weeks. Donations to Hospice in lieu of flowers would be appreciated.

“ We will miss Stacey who always welcomed us so warmly to family gatherings at the cabin. He was a man with great wit and charm, and a darn good BBQ chef. Our deepest condolences to Wynne and all of Stacey's loved ones. -Rest in the Lord -
