“ *My deepest sympathy to the family. Though I did not know Steven, I am grieved by this tragedy that ended his life and Karey's. I am so sorry for your loss.*

“ *We've lost someone so special and caring. I remember a time down at Long Beach, probably the Rod Run, when several of us were celebrating (perhaps a little too much) and Loretta and I were about the last ones to leave the pub (sounds nicer than Tavern). Two older ladies who have taken care of themselves for several years. We started to say Good Night to Karey and Steve but then Steve said, "Oh no, this is not Good Night yet, not till we walk with you and make sure you get back to the hotel ok". Loretta and I just laughed and told the kids we would be just fine, but that wasn't good enough for Steve. No, he said, we just want to make sure you get to the hotel without being assaulted or arrested. This is the kind of thoughtful and caring person Steve was. Steve, I hope you know how much you will be missed!*
