

Susan C. Sutton

December 14, 1950 - October 13, 2021

Susan Sutton of Vancouver, Washington, passed away peacefully after a long battle with cancer on Wednesday, October 13, 2021 in her home with her loving husband and daughter at her side. Susan was born on 12/14/1950 in Grants Pass, Oregon. She graduated from Springfield High School and attended Oregon State University before taking a summer job with the Payless stores, where she met her husband Dick Sutton. In 1983 she began working for the Multnomah County District Attorney's Office and became an Office Manager. Susan continued working there for more than 31 years prior to her retirement in August 2014. This was just in time for her only grandson, Aiden, to begin Kindergarten!

Susan will be remembered by all who knew her as a kind and giving person who never wanted anything in return. She just asked others to always "pay it forward"!

Susan was a master at arts and crafts. Her legacy lives on as a result of her skills and expertise and the literally thousands and thousands of her hand-crafted ornaments that adorn the Christmas trees and shelves of hundreds and hundreds of her customers who purchased her masterpieces at Crafts Bazaars over the years! She also did tole painting, was a voracious reader, and loved spending time with her family most of all! Most recently a favorite pastime was watching holiday baking shows!

Susan is survived by her loving husband Dick Sutton, her daughter Amanda Sue Hampton, her grandson Aiden Anthony Hampton and her younger sister

Sharon (husband Tim) Miller.

Inurnment will be November 19th at Evergreen Memorial Gardens, 1101 NE 112th Avenue, Vancouver, WA 98684. Call Evergreen Memorial Gardens for the specific time of services.

In the spirit of Susan, please do not send flowers, but rather find a way to "pay it forward" in your own way. Some examples that Susan has previously chosen: pay for the car behind you in a fast food line, buy toys for a toy drive during the holidays, purchase food for a local food bank, or one of her favorites was to give something hand made to someone else while expecting nothing in return!

“ Susan was the best supervisor anyone would want to have. She is so patient, caring and kind. She loved her crafts and I still have some that she made for me. This lady would light up the room wherever she was and everyone loved her. I don't think she had one mean bone in her body. LOL.... It's hard to believe she is gone but everyone can rest assure that she is no longer in pain. I didn't know of her passing until recently nor the fact that she was suffering from cancer. I am deeply sorry for everyones loss of Susan as she was a woman of the biggest heart. My deepest condolences. Dawn

“ Growing up Susan was like a second Mom to me. She loved crafting and I was always amazed at her skills. My Christmas tree has been adorned with her cute and whimsical ornaments for many years. She was always so kind and loving. We hadn't kept in touch for awhile, but she has always had a special place in my heart. I'm so sorry for her families loss. Amanda, Aiden and Dick.. you are in my thoughts and prayers during this difficult time.

“My mom was the kindest, loving and giving person that I know. The standards have been set so high now that nobody can compare. She gave to everyone selflessly. Whether it was a friend who she didn't get to see often, caretakers who helped her in the last 4 years, strangers inside a gymnasium or to every member of her family. I'm so thankful for all of the time that I had with her. Every day I continued to learn from her and my life was even better because of her. She was the best and I'll never stop missing her, and I know I'm not the only one. I will still continue to try to be just like her, with my own twist. I have so many memories that are about her that it's hard to pick just one. I loved how she was always so excited about any achievement big or small that my son achieved. I loved how she'd do things for all of us that we didn't even ask her to do. That's the kind of thing that makes a person feel so valued. I loved her the mostest!

“How small a part of time they share That are so wondrous sweet and fair!" ~ Go Lovely Rose by Edmund Waller Oh, so many great memories of this wonderful friend. Some of my favorites are of summers picking beans together at Wicklund's beanyard and singing in our Junior High group, The Novelles. Susan was an extraordinary and extremely creative person. One who always thought of others before herself. I enjoyed her sense of humor and loved her like a sister. She will always be with me in my heart. May her memory continue to bless her husband, daughter, grandson and all who knew her.
