“ Johnny, we have never met, but we had something in common. A genuine love for a beautiful girl. Trisha was a huge part of my life growing up and there is a now a hole in my heart. Please know that as you think back, remember the wonderful impact and the blessings she brought forth. The bible tells us in Ephesians 2:10 that we were made to do amazing things. "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." May this scripture bring comfort to you, as it has to me. Trisha was made to love people. She was here on this earth, to see the underdog and to route for them. She gave selflessly and unconditionally. I know that she not only touched lives by being who she was, but she brought a sense of empowerment into the individual that she was pouring into. She certainly did for me, and the past few days, I have had the joy of sharing with my two youngsters and husband, about our childhood together. She left a fingerprint wherever she went. I wish with all of my heart, that I could be there on Saturday, to be a part of her Home Going. But beings that I live in Minnesota, I will not be able to travel. Please know that you are in our families prayers and on our prayer chain. We have been lifting you up and will continue too. God bless you and bring peace and comfort always. Blessings Sarah
