“ I can even begin to say how my this man meant to me. He has always been my guiding light, my strength and my shelter. He taught me so much. You walked beside me and helped me to become a who I am today. I will miss all our times together but I will forever cherish every moment we had. You gave up so much for all of us. Your truly the greatest man I will ever know. You may no longer walk beside me but you will forever be in my heart. Saying goodbye to you was the hardest thing I have ever had to do. I LOVE YOU SO VERY DEEPLY DAD.
